Sermon – Genealogy week 2 – Know your Enemy.

Scripture - Various

Main Message – The enemy will infiltrate every high place and authority – recognize them by their fruit!

In the book of Revelation, Jesus speaks to 7 churches mentioned in Asia. He chastised 5 of them for falling down on the job and he commended 2 of them. The 2 churches that Jesus spoke highly about had one very peculiar thing in common. Those churches were Smyrna and Philadelphia. Here is what Jesus says to them from Rev 2 and Rev 3.

Read Rev 2:8-11 & Rev 3:7-13

Two churches stood strong against what Jesus calls the synagogue of Satan. These are made up of those who say they are JEWS but are not! That is a clue that we should be aware of this influence in our world. If you want to control the world, where do you go?

Religion, Government/Politics, Economy/Money, Education/Media. Each of these entities has “JEWS” on these high-level boards and decision makers. But their fruit betrays them. They are not of God.

So here we have many in positions of power and authority who actually say they are Jews, but are not. How do you identify them? Guess what? Jesus told us.

Read John 8:31- 47

So here we have Jesus calling out “some” of the pharisees for not actually being who they say they are. Now I will always tell you that the Spiritual Battle is always more important than the physical elements of our world. I tell you that not from my own wisdom, but from the Bible. **Read Eph 6:12**

This sermon series is about genealogy. So how did these dudes get into this position of authority? You see, it was the Levites that were supposed to be the priestly tribe. These fakes Jesus told us about in John were not of that tribe, spiritually, or genetically. How do I know? Well, the Bible tell us. You see, following the exile of Judah when they rebuilt the temple and were trying to do all the things God had told them to do, they couldn't find any Levites. What could be found were scribes who were instructed in the many details about operating the temple.

Read 1st Chronicles 2:55

I know this is better as a Bible Study than a sermon, but stay with me. You can see in this scripture genealogy in evidence. Pay special note to the Kenites. Who are they? It turns out they are of the Bloodline of Cain. Kenite is a transliteration, and you can go to Strongs Concordance and see that it comes from root word Cain. You can read about Cain's bloodline in the Bible too in the chapter prior to where we started and guess what? Many of Cain's bloodline has similar or exact names that Adams progeny has – but more on that next week.

Now if you're saying this is hard to follow, well, there is a solution. Bible Study. Read the uncorrupted word of God and get into study groups. Remember those 7 churches. I'm doing what I can to point you always in the direction of a deeper relationship with Christ. I do that because in the time of trial, it will be **you** that must put on the full armor of God to withstand the enemy. No Google search is going to yield these answers. You know why? The High Places of our world and what information your allowed to see is controlled by the Synagogue of Satan. I no longer trust any media, mainstream or otherwise, education, mainstream or otherwise, government, mainstream or otherwise and sadly the majority of churches teach only weak traditions and platitudes without depth or meaning. Does that sound harsh? If it does, well it comes from how Jesus spoke to the 5 churches that were not living up to Jesus commands or expectations. Jesus, speaking the truth is the embodiment of Love.

2nd Tim 3:5 warns us that some only have a form of godliness but denying the power thereof; from such turn away.

Trust only in the Lord God. Amen. I can't afford to not teach you the truth. I'm scared to death of failing you and most of all Jesus.
